Dear Family and Friends,

This letter is a request for you to sponsor me this summer, as I work with the elderly/ less fortunate in Montgomery City, MO. During the week of July 21st -27th, I will be joining the Seedbearers Program from Saint Charles, MO. We will be working with Immaculate Conception and Montgomery City School in Montgomery City to work on the homes of needy families in their community. Our ministry of teenagers and adult leaders [from IMPACT Youth Ministry] will be providing home repairs, companionship, and spiritual support for people living in this rural area. During this week, I will be involved in a service project that includes teamwork, community building and life skills, as well as spiritual growth.

For over 33 years, this program has been able to provide interior/ exterior painting, roofing, building of decks/porches and ramps, siding, interior flooring, and other repairs to over 150 homes. Since there is no charge to the homeowners for materials or our services, our program is financed solely through various fundraisers, organizational support, and charitable assistance in the form of tax deductible donations of cash, goods, and services.

As a 2024 Seedbearer, I am requesting your help for another successful year. Your donation will help purchase some of the much needed materials and supplies that the program will need for our projects. We will take Cash, checks made out to "IMPACT YM" or you can donate online at impactym.org A receipt of your contribution can be supplied for your records. Again, all donations are tax deductible, and all proceeds will go directly to the Seedbearers. Donations must be received no later than July 19th.

Also at impactym.org, you can see a video that gives you an idea of what it means to be a Seedbearers.

Can I count on your support this year for my mission trip, and the people of Montgomery City? Your generosity will certainly benefit our project and will be greatly appreciated! Please contact me at the phone number noted below to pledge your support or ask any questions. I will be happy to make arrangements to collect your donation, or you can mail it back to me.

On behalf of myself, the Seedbearers, and the families you will be helping, thank you in advance for your generosity Please know you will be in our prayers!

May God Bless You!
